Every year, as per IBEW Local 2351 policy and procedures, a \$1000.00 scholarship is awarded to a student attending post-secondary education. Applicants must be a child of members in good standing of IBEW Local 2351 or be in the graduating class of Eric G. A committee, consisting of three (3) members, have independently reviewed and scored the applicant's submissions. On Behalf of IBEW Local 2351, I am pleased to announce that Andrea Penton, daughter of Cyril Penton and Shelly Greene Penton, is the recipient of the IBEW Local 2351 Scholarship for 2020.

Andrea has been involved in many different groups within the community. Just to name a few, she has been President of the Youth Center Committee, as well as being involved with the Glad Tidings Pentecostal Youth Group and St. Marks Youth Group.

Andrea is also, a proven leader in the church community. According to Andrea, "I have a strong faith", which is evident by her involvement within the church. At sixteen years old, Andrea, following in the footsteps of her great grandfather, became a licensed lay reader. This is a role she is, "certainly proud to have been trusted to take on".

All whilst participating in Student Council, Guitar club, Band, Choir and maintaining exceptional grades which resulted in Andrea graduating from Eric G. Lambert School with honours June 2020.
